Get ready for adventure. Featuring a stylish, lightweight design, the new 151MP makes it possible to take work or entertainment anywhere you want to go—literally. This monitor can go anywhere and do anything. From viewing razor-sharp text to HDTV, the 151MP features modular capabilities that allow you to have the monitor that meets your needs and budget, both now and in the future.

Start with a 3-in-1 monitor with computer, HDTV compatibility, and video functionality. Add a TV tuner. Throw in a 12V adapter. Plug into rich, 3D surround sound. Now, take it with you. Go to the office, stay at home, or turn your car into a movie theater. With a full 15" of viewing freedom and bright, vivid color, the 4-in-1 151MP monitor is an adventure waiting to happen. There's no limit to what you can do—or where you can go—with the portable luxury of the 151MP.

Samsung monitors are backed by award winning technology.
