Notevision*M15X*

PG-M15X
Digital Multimedia Projector

The "ultra" of "ultra-portables".

Sharp's new **NotevisionM15X** (PG-M15X) is among the smallest, lightest, and highest performing projectors in the Compact/ Mobile category! This "micro-mobile" size projector weighs just over **3 pounds**, and in spite of it's amazingly compact size and weight, provides a full **1100 ANSI Lumens** brightness!

It boasts built-in computer and video inputs, audio systems, automatic image setup and digital keystone correction. This model additionally includes a USB-PS/2 wireless remote - with mouse control - for total presentation flexibility from anywhere in the room.

Choose the **NotevisionM15X** (PG-M15X) for high-end "XGA" resolution, providing a full 1024 x 768 native resolution, with Intelligent Resizing up to SXGA resolution (1280 x 1024 pixels) .

It even comes standard, at no charge, with Sharp ER - our industry leading parts and labor warranty with 24 hour emergency repair or replace service to ensure maximum reliability. The **Notevision M15X** comes housed in a durable magnesium alloy enclosure.

NotevisionM15X. Ultra features for ultra presentations in an ultra small package!
