# ImagePro 8035

**DUKANE ImagePro**

DUKANE AV Products

- True SVGA (800 x 600)

- Up to XGA with "Right Size" Image Scaling

- 1000 ANSI Lumens

- Wireless Mouse Feature in Remote Control

- Dual Computer and Video Inputs

- Under 10 pounds

- Five Year Warranty

## FEATURES

Compact and lightweight, the **DUKANE ImagePro 8035** is ideal for the mobile presenter, or as a shared educational resource that needs to be easily transported. Featuring dual computer inputs/outputs the **ImagePro 8035** can accommodate two PC sources, two MAC sources, or PC and MAC simultaneously. The **ImagePro 8035** also has dual video inputs, one s-video and one standard RCA type. The full featured IR remote control doubles as an "air mouse" and a laser pointer, freeing the presenter to move around and interact with the audience. The **ImagePro 8035** delivers high performance at an affordable price.

## Performance and Value

The Dukane ImagePro 8035 is a user-friendly projector that is compatible with your VCR, camcorder, or DVD player. It is also fully compatible with the newest Intel Pentium and Apple Power PC's. Offering true "Plug and Play" operation the ImagePro 8035 is at home in the conference room, classroom or on the road. It sets up in minutes and delivers high brightness (1000 lumens) and detailed image quality.

Featuring true 800 x 600 SVGA and XGA compressed resolution, the ImagePro 8035 is engineered to reproduce data with razor sharp accuracy and video images with lifelike color and detail.

The ImagePro 8035 gives the presenter/educator the power to adapt to any environment. Featuring a high performance zoom lens system the ImagePro 8035 can produce images from 40" to an amazing 200". It also has a full feature wireless remote control with full mouse control and a laser pointer.

The ImagePro 8035 goes anywhere for powerful, effective presentations, classroom training and professional meetings. Backed by Dukane's legendary service and warranty, the ImagePro 8035 offers outstanding performance and value.
