Performance and Portability

The **Dukane Image Pro 8045** is the perfect tool for the presenter on the go. At only 5 Lbs. the 8045 can be easily transported and stored in airplane overhead compartments. Brilliant image quality makes the 8045 ideal for displaying data images from a PC or MAC and video from a VCR or DVD player. The 8045 sets up in seconds and features easy operation for the "non-technical" presenter. The video quality is superb!

Featuring true 800 X 600 SVGA resolution (compressed XGA resolution) and 800 lumens of brightness the **Image Pro 8045** is engineered to reproduce data with razor sharp accuracy and brilliant color imagery.

The 8045 gives the presenter the power to adapt to any environment. Featuring a high performance zoom lens with unique wide-angle capabilities the 8045 produces a large image at a short throw distance.

In addition, the 8045 has a super quiet fan that permits meetings to occur close to and around the projector.

The **Image Pro 8045** goes anywhere for powerful effective presentations, Classroom training and professional meetings. Backed by Dukane's legendary service and warranty, the Image Pro 8045 offers outstanding performance, portability and value.
