ImagePro 8757
Premium-quality DLP projector

## A new way of thinking about projection

The Dukane ImagePro 8757 offers something you haven't seen before: a truly intuitive set of controls and menus plus color-coded cables and connectors. Most people can use it with no training and not even a glance at the manual.

This premium-quality, full-featured DLP projector is ideal for larger conference rooms or classrooms where you want to keep the lights on.
Use it as a portable or mount it on the ceiling.

Key features:

- 2500-lumen brightness
- Vibrant color images
- Sharp XGA resolution, with resizing to SXGA
- Ethernet connections for full projector control and management from a PC over your existing network
- Full-function remote has mouse/cursor control and laser pointer (all controls also on the projector)
- The versatility of 2 computer and 3 video inputs
- Compatible with all types of video, including digital HDTV. Component input for the best digital video.
- Monitor output for use with desktop computer's monitor
- 1.4X zoom lens for flexible projector placement
- 4W stereo audio (2 speakers) plus audio outputs for use with external sound system
- Very quiet: the only thing you'll hear is your message.
