UPC Code	4464203921 9
Dimensions without Packaging:	
Height	16.5" with stand 15.5" without stand
Width	15.5"
Depth	7.5" with stand 4.2" without stand
Weight	11 lbs.
Dimensions with Packaging:	
Height	20.3"
Width	20"
Depth	10.4"
Weight	24 lbs.

SERVICE/WARRANTY

Warranty: Parts/CRT/Labor	1 Year/—/1 Year
MTBF	25k

Displayable Pixels Note:

Your LCD TV has been manufactured with extremely precise technological processes. It is so precise that more than 99.99 % of the pixels are operative, yielding millions of displayable colors. However, by the nature of the manufacturing process, an extremely small number of pixels are constantly on or are not lit.

Design and specifications subject to change without notice. Dimensions and weights are approximate.
